SUSTAINABILITY

20%

of the UK's waste is attributed to business and leisure facilities

The need to recycle rather than replace is greater than ever and we are delighted to offer sustainable fabric options.

Chris Medley,
Managing Director of Yorx

Our reupholstery services represent an eco-friendly and cost-effective approach to furnishing spaces. Recycling and renewing are at the core of what we do and our solutions are designed to prevent over 95% of waste from entering landfill sites. For our clients, we offer the opportunity to realise operational savings and meet carbon-zero targets.

Our sustainable practices are based on four key principles:

- Reuse everything we can
- Source materials responsibly
- Utilise eco-friendly treatments
- Recyle waste materials
